### FOR IMMEDIATE RELEASE

#### Ewing Abilene Location under New Management

*January 23, 2007, Phoenix, AZ*— Ewing Irrigation, Golf & Industrial has appointed Archie Crosby as Manager of its Abilene, TX facility, located at 1575 Dunnam Dr., Abilene, TX 79602.

Crosby formerly served as Assistant Manager of Ewing's Abilene location and is anxious to face the challenges of his new role at Ewing, while maintaining the facility's growth, and initiating the best customer service that clientele can firmly rely.

"I am very excited about my new responsibilities with Ewing and deeply appreciate the comfort of working for a family-owned company. Our core principles do not focus on the almighty dollar, and we treat our customers like friends," stated Crosby.

A fourteen-year veteran to the green industry, Crosby began with soil underneath his fingernails and worked his way to where he is today. Crosby stays true to his humble roots and is "most looking forward to directly interacting with the everyday customers. I hope to prove to them just how much we appreciate their business."

Ewing Irrigation offers commercial and residential irrigation supplies, landscape and agronomic products, water management solutions, low-voltage lighting, erosion control, water features and industrial plastics to professionals serving the landscaping, turf, golf, and industrial industries. Ewing offers more than 165 convenient locations from coast to coast.
