FOR IMMEDIATE RELEASE

Ewing Opens New Location in New Mexico, Appoints Dana Dodge Manager

January 9, 2006, Phoenix, AZ—Ewing is pleased to announce the opening of its 163rd facility in Rio Rancho, New Mexico. Ewing has appointed Dana Dodge as manager of the new facility, located at 103 Rio Rancho Dr. NE.

Previously, Dodge managed Ewing's Santa Fe and Albuquerque branch locations. He has been part of the Ewing team for more than eight years and has been doing outside sales in New Mexico for three years.

"I am planning to continue building Ewing into the strongest distributor in the region," Dodge said. "Additionally, I am planning to offer numerous events including contractor workshops, educational seminars and counter days."

Dodge is a licensed Texas irrigator and holds a bachelor's degree in marketing from the University of Massachusetts. Prior to joining Ewing, Dodge served as an irrigation and landscape contractor in Massachusetts and New Mexico.

"I joined Ewing because it gave me an opportunity to advance and better myself," Dodge said. "However, my experience here has far exceeded my expectations. I believe that I work with the best, brightest and most forward-thinking people in the industry, and I am very proud to be part of the Ewing team."

Established in 1922, Ewing is proud to serve as your source for water management and conservation solutions. Ewing offers commercial and residential irrigation products, landscape and agronomic supplies, low-voltage lighting, erosion control, water features and industrial plastics to professionals serving the landscaping, turf, golf, and industrial industries. Ewing's experts in irrigation efficiency are friendly, passionate, and prepared to serve customers with more than 165 convenient locations from coast to coast.
