FOR IMMEDIATE RELEASE

Ewing Offers Continuing Education Hours for Oregon Landscape Professionals

From 'Irrigation Troubleshooting' to 'Building Small Water Features', Oregon professionals can attend Ewing Education courses to fulfill their continuing education requirements.

March 12, 2008, Phoenix, Ariz.—The new Oregon law requiring licensed landscape professionals to accrue 20 hours of continuing education credits every two years prompted Ewing Irrigation Products to partner with the Oregon Landscape Contractors Board to offer continuing education hours (CEHs).

The following Ewing Education courses have been approved for CEHs, and course attendees can now apply earned CEHs toward their two-year requirement:

- Irrigation Troubleshooting Workshop (English) - 5 hours
- Irrigation Troubleshooting Workshop (Spanish) - 5 hours
- Advanced Installation Troubleshooting & Design Workshop - 14 hours
- Landscape Irrigation Auditor Workshop - 12 hours
- Introduction to Landscape Lighting - 2 hours
- Build-a-Pond Field Day - 7 hours
- Building Small Water Features - 4 hours
- Build-a-Pondless Waterfall - 7 hours
- Succeeding & Prospering with Water Gardens - 5 hours

For a list of locations, dates and times of Ewing education courses, go to www.ewingeducationservices.com, or contact Jamie Thayer, education and marketing funds coordinator for Ewing Irrigation, at 800.343.9464.

Ewing is your premier source for conservation solutions, and a leading authority on the latest water management products, trends and best practices. Ewing provides water management solutions, commercial and residential irrigation supplies, landscape and agronomic products, low-voltage lighting, erosion control, water features and industrial plastics to professionals serving the landscaping, sports turf, golf and industrial industries. Ewing offers more than 180 convenient locations from coast to coast. Visit Ewing online at www.ewing1.com.
